Dear Mr. Owen:

Re: Sediment Pond As-Built, Co-Op Mining Company, Trail Canyon Mine,
ACT/015/021-93C, Folder #3, Emery County, Utah

The June 14, 1993 submittal relative to this amendment has been reviewed and is approved. It is suggested the permittee consider reassessing the hydrology section and runoff calculations to more accurately reflect the **reduced** area draining into this sediment pond, however.

Please submit three finalized copies of the text and plates by August 16, 1993.

Sincerely,

Pamela Grubaugh-Littig
Permit Supervisor
